MEXICO CITY, April 28, 2023 (Newswire) - Joe Francis Awarded 100% Sole Custody of Twin Daughters Athena Olivia Francis Wilson and Alexandria Claire Francis Wilson

Mexico City, Mexico - After an explosive three-year custody court battle with his ex-girlfriend Abbey Wilson, a Mexican Supreme Court appointed Judge has awarded 100% sole custody to Joe Francis of his twin Mexican born and raised 8-year-old daughters Athena Olivia Francis and Alexandria Claire Francis after a 3 year court battle that both parents participated in. The court order cites Wilson's physical and emotional abuse of both girls, her drug use in front of them, her failure to follow court orders including taking the children out of the state and country in violation of the court orders that prohibited both parents to do so and Abbey Wilson moving Francis's children illegally 27 times in the past 3 years to avoid Francis's rightful custody and the authority's enforcement of the court orders.

"This has been a long and difficult battle, but I am relieved that justice has finally been served," said Francis. "I love my daughters very much and I have fought for them every day for the past 3 years since their mother first kidnapped them out of their cribs in the middle of the night at 5 years old. Imagine when I woke up July 1, 2020, my daughters were gone forever. My daughters have been through so much child abuse by their mother Abbey Wilson. Unfortunately, their mother has been medically diagnosed with bipolar disorder, bulimia, anorexia, and depression which has led to extensive drug abuse in front of my children, and I am committed to providing them with a stable, loving home for their childhood which was selfishly taken away by their mother 3 years ago."

According to court documents, Wilson has a history of substance abuse and has been in and out of rehab and locked up mental institutions several times. She has also been accused of physically and emotionally abusing both of her daughters and violently physically abusing Francis, and of exposing her daughters to dangerous situations. The court documents also detail other reasons like Abbey Wilson's prior arrests for Felony Grand Larceny for robbing a home in Los Angeles in for \$250,000 USD as well as her 3 suicide attempts for granting Joe Francis Sole Custody of his daughters. **(Please click on this link to read the full and final custody order in English PDF and Spanish PDF)**

"I am grateful to the rightful Mexican court for recognizing the truth and putting the well-being of my daughters first," Francis continued. "I will do everything in my power to ensure that they are safe, happy, and loved." "I am also very sad that the legal system that is supposed to be designed to protect the children and do what's best for them has utterly failed them." Francis added, "I have not spoken or seen either of my 2 daughters in over 3 years because of their mentally ill and abusive mother Abbey Wilson. The system has utterly failed them and a corrupt and child abusing, child molesting Judge, Elizabeth H. Kerr in Oklahoma refused to follow the

statutory UCCJEA LAW in the state of Oklahoma ([link to Oklahoma UCCJEA PDF](#)), which protects minors from this type of mental, physical, and sexual abuse. Judge Elizabeth H. Kerr in Oklahoma believes she is above the law and allowed Abbey Wilson to hide from court orders, multiple arrest warrants and custody orders in another sister state and ABUSED MY DAUGHTERS and she will pay for it.”

Judicial complaints and criminal charges for child abuse and the sexual abuse of minors have already been filed multiple times against Judge Elizabeth H. Kerr in Oklahoma not only in Francis’s case, but Judge, Elizabeth H. Kerr in Oklahoma in the past has been ACCUSED of molesting and sexually abusing at least 12 other minors as young as 5 and 6 years old, both little boys and little girls in the state of Oklahoma where she still sits as a family Judge. As soon as Abbey Wilson was legally served the final custody order in Mr. Francis’s favor, she again kidnapped both of Mr. Francis’s daughters to Oklahoma in the United States where her parents are from. Abbey Wilson currently is a Wanted fugitive of the Mexican government and has 8 arrest warrants currently active in Mexico for Child Abuse, Child Kidnapping, Child Sexual Abuse, Family Violence, Minor Subtraction and Abbey Wilson is also wanted for an unrelated fraud charge for stealing millions of dollars from a Mexican company. Interpol has issued their highest RED NOTICE for Abbey Wilson’s immediate apprehension and the safe return of Francis’s daughters to Mexico.
